TOURNAMENT

JOHNSTOWN, PA
HISTORIC POINT STADIUM

The WVIAC

I chose
Division II

Founded in 1924, the West Virginia Intercollegiate Athletic Conference (WVIAC) rates as one of the oldest leagues at the small-college level. The 15-member conference is the third-largest league at the NCAA Division II level.

The current membership includes Alderson- Broadus College, Bluefield State College, University of Charleston, Concord University, Davis & Elkins College, Fairmont State University, Glenville State College, Ohio Valley University, Shepherd University, West Liberty State College, West Virginia State University, West Virginia Wesleyan College and Wheeling Jesuit University. The University of Pittsburgh at Johnstown and Seton Hill University joined the WVIAC for the 2006-07 season. Pitt Johnstown and Seton Hill are the WVIAC's first out-of-state members since 1932.

The WVIAC moved into the NCAA Division II ranks in 1994 after a long affiliation with the NAIA. The conference was the only one in Division II to place a team in the national quarterfinals in men's basketball, football and baseball during the 1998-99 academic year. In 2002 the WVIAC, along with two other conferences, became the first league to earn four bids to the NCAA Division II Men's Basketball Championship.

Commissioner Barry Blizzard, who has held the post since 1987, led the move into the NCAA. Blizzard, a native of Bramwell, West Virginia, previously served as the athletics director at Bluefield State. The long-time conference chief has served in a variety of national leadership positions, including a stint as president of the Division II Conference Commissioners' Association. He is currently the chairman of the NCAA Division II Nominating Committee.

The conference's basketball tournament is one of the longest-running events in collegiate hoops; the 73rd annual event was held earlier this year at the Charleston Civic Center. Attendance at the WVIAC tournament ranks among the highest in Division II. The conference also boasts a 10-station radio network for the tournament.

Women's sports were incorporated into the WVIAC during the 1981-82 academic year as the West Virginia Intercollegiate Athletic Association was absorbed. Currently, women's championships are offered in softball, golf, tennis, track, basketball, volleyball, cross country and soccer.

Men's championships are conducted in football, cross country, soccer, basketball, baseball, golf, tennis and track.

The league was recognized by the State Journal as one of "55 Great Things About West Virginia" in the magazine's April 2007 edition. The WVIAC is headquartered in Princeton, W.Va.

We Pledge...

We have joined institutions across 22 conferences and independents in committing to safe, fun, and entertaining sporting experiences on Division II campuses. We have signed the pledge to create and continue family-friendly experiences for everyone.

DIVISION II GAME ENVIRONMENT PLEDGE

NCAA Division II presidents and chancellors affirm that athletics events should reflect the values of higher education and the mission of each institution. Division II emphasizes learning and development in a personal setting. As chancellors and presidents, we are concerned about the uncivil behavior exhibited at college athletics contests and thereby pledge to work together to make respectful, family-friendly events a standard of the Division II experience.
